

Beyond The Drill: From Struggle to Success

Suggested Format: Full or Partial-Day; Lecture; Keynote

In this captivating lecture, Dr. Augustyn, a seasoned dental professional, shares her remarkable story of **turning a struggling practice, Happy Tooth, into a beacon of generational wealth**. With raw honesty and inspiring vulnerability, she reveals the challenges, triumphs, and invaluable lessons learned along the way. Dr. Augustyn delves into key concepts, strategies, methodologies, and tools that propelled her practice from financial uncertainty to absolute abundance. She fearlessly addresses the pain points that plague many dental professionals, asking the tough questions and offering practical insights: **How can I break free from the limitations of a stagnant practice? What would happen if I only had \$100 in the bank? Is it possible to overcome that?** From figuring out who you are to living your truth, she covers it all. Dr. Augustyn specializes in making your learning experience both empowering and enjoyable. You'll walk away with actionable wisdom and a renewed sense of purpose in your own dental journey.

Learning Outcomes

- Examine and disassemble fear associated with a failing practice by showing proof that change is possible
- Demonstrate how inspiration, motivation and guidance from our own tribe can be used as hope that success is not just imaginable but also achievable
- Encourage asking for help from coaches and consultants, as well as family, friends and colleagues
- Create an environment for honest conversation for both our challenges and celebrations

Course Format:

This course is offered in-person and can be modified for a virtual presentation.
